Dear Mr. Hemsworth :

I am pleased to inform you that the Occupational Health & Safety Section of Provincial Affairs and Attorney General has reviewed your request to be recognized to provide first aid and C.P.R. training on Prince Edward Island .

The Occupational Health & Safety Section is prepared at this time to recognize your company as competent to provide this service.

It is, however, the responsibility of your company to maintain qualified trained instructors and current material .The Dept. reserves the right to discontinue recognition if the Section should find any deviation from your training as outlined in the material provided

Sincerely,

A handwritten signature in cursive script that reads 'Albert MacDonald'.
